Service Category	Service	What's Included?	\$Hr/Unit (CY\$)
Consulting	Initial Consult	This is an initial consultation on your idea or needs and to assess how I can help you. In this session, you can expect to review your needs, perhaps learn a thing or two a high-level, and then identify what the next steps are.	\$248.42
Consulting	Complete Pitch Materials	If you have an idea for a company or research that you think could inspire operational or commercial use, then we can work together to put together a pitch deck that will help investors and broadly stakeholders understand how it will come to fruition. This includes 2 reviews: an initial assessment, a review after your implement changes.	\$1,242.10
Consulting	Independent Pitch Review	If you already have an idea and you've spent time putting together you pitch, but you want a set of independent eyes to review and give you feedback before you pitch it to stakeholders. The number of units scales with the amount of materials you want reviewed. In general, one unit is less than a 15 page pitch deck or a one - two page pitch.	\$621.05
Consulting	WKID Facilitation	If you have an idea, but are really struggling to codify that idea as an individual or a team into a concise and organized synthesis or framework. One unit assumes two hours of facilitated discussion, an hour to prep, an hour follow-up	\$496.84
Consulting	WKID Workshop: Business Launch	If you are interested in a package deal that includes an initial consult, complete pitch materials, and WKID facilitation. The number of units will scale by the number of people going through the workshop together, up to three groups. There will be three working days, spread over three weeks and will require teams to do homework in between sessions to make progress throughout the workshop.	\$19,873.60
Consulting	Proposal Review	If you have written a proposal and what it evaluated against the sollicitation as an independent review. The number of units scales with the length of the proposal. This assumes 15 pages of technical information an 30 pages of supplementary material total.	\$1,242.10
Consulting	Proposal Scoping	If you have identified a proposal, but want guidance before you write on how best to write it and what is likely the most important things to hit on based on an evaluation of the programmatic values of the sponsoring organization. One unit assumes reading the sollicitation and doing background research on the program to understand past investments, and context for the motivation of the sollicitation as well as contextualizing the sollicitation for any programmatic specific language and documentation	\$3,726.30

Consulting	Proposal Writing	If you have an idea to pitch for writing a proposal, but struggle to convey your idea in a compelling, concise, and fundable way. A single unit assumes a proposal of 15 pages technical text and up to 30 pages supplemental text.	\$19,873.60
Consulting	Proposal Landscape Assessment	If you are looking for undiluted investment funds that fit within the company development strategy, but aren't sure how to focus your efforts to maximize your return on investment for time spent chasing grants. The number of units scales with the complexity of the landscape and the number of agencies you want reviewed. One unit assumes reviewing up to three agencies.	\$9,936.80
Consulting	Advisory Board	If you want WKID Solutions expertise represented on your advisory board. The number of units scales with approximal time commitment with one unit representing 1 hour per week for a year.	\$6,458.92
Engagement	Speaking Engagement	If you would like WKID Solutions to engage directly with stakeholders. One unit assumes up to three hours including commute.	\$372.63
Project	Research for Hire	If you are interested in collaborating on research, for which WKID Solutions may have some deliverables (e.g., report, paper, data analysis, mentoring, weekly meetings, etc). One unit assumes one month of work.	\$19,873.60
